Many investors think: "Stay away from earnings season!"

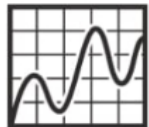

But why shouldn't you profit from your favourite companies?

The difference between "crashing and burning" and massively profiting from earnings season depends on one thing:

If you know what you're doing!

HERE ARE SOME SECRETS TO PROFITING FROM EARNINGS:

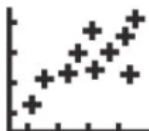

ANALYSE THE MARKET

Make sure you don't go into any trade blindly. You need to know what is happening in the market, and not just for any one company you're looking at.

MANAGE YOUR RISKS

Always, always protect your downside. No investor likes to be taken by surprise when it comes to the stock market! You minimise your losses when you manage your risks.

IDENTIFY THE PATTERNS

Whether looking at the charts or looking at historical data, there are always patterns to

EXECUTE AT THE RIGHT TIME

Learning the effective options strategies can help you profit massively - but they are

look out for which can provide useful info to a diligent investor.

no use unless you actually execute them to capitalise on the volatility!

This is why we are hosting this never-before 3-day bootcamp

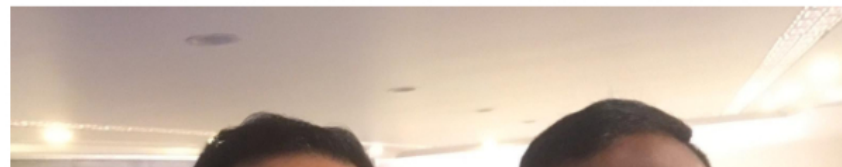

Thursday, 4 February 2021 - 8.00pm-11.00pm (GMT+8)

Friday, 5 February 2021 - 8.00pm-11.00pm (GMT+8)

What Exactly You'll Learn:

A photograph of a group of people in a meeting room. They are all smiling and have their hands raised in the air, some making peace signs. The room has white walls and a whiteboard in the background.

- ✓ How to take advantage of every earnings season all year round
- ✓ How to dissect your favourite companies
- ✓ How to analyse the market with the perspective of options trading

- ✓ The exact strategies to use in order to make massive profit - and how to apply them in the right market conditions
- ✓ Examining chart patterns and back-testing of trades
- ✓ What to do in "What-If" situations

- ✓ Effective risk management techniques to protect your downside
- ✓ Exploring actual profit-making trade ideas you can immediately take action on
- ✓ Looking forward in the stock market - What's next?

All this valuable information can easily be priced at \$1000, if not more. And you'd still be able to make it all back, easily, perhaps even in just one trade!

But we are offering you this ONE-TIME chance to sit in and tap into the minds of two expert options investors, and learn how YOU can generate crazy profits for yourself all year round...

...for absolutely nothing.

Can You Really Make Profits Like These? The Answer Is A Definite YES!!!

Hey Resh! Morning man. Just wanted to thank you cause I learnt sooooo much from you for the past weeks!! Insane profits day yesterday. My portfolio increased by 50% just in two weeks! I started w a 4-figure portfolio and it's now in the range of 5!!

Incredible

Wow today really exploded! 3k USD in ONE DAY?! I closed and took profits and now my portfolio went to 5.5k! And this is just the fourth week of learning how to trade? Best best best course I have ever studied... INSANE! Resh, thank you thank you thank you!!!

I started my IB account with only USD1000 and within a short 6 days time, my account has 5X! Talk about EXTREME WEALTH TIMEEE 🔥 None of this would've been possible if you hadn't filled that information gap for us all.

We want to say this class will
change the way you invest forever.

But we won't.

We'll just let you experience it for
yourself!

Because experiencing is believing!

Frequently Asked Questions

Q: Is This Class Live In Person Or Online?

A: This is a purely ONLINE workshop that is conducted LIVE. This means that the speakers will be presenting in real time and you will be able to interact with them.

Q: When Is This Class?

A: This class is held over three different days:
Thursday 4 February 2021 (8pm-11pm),
Friday 5 February 2021 (8pm-11pm), and
Saturday 6 February 2021 (10am-1pm).

Q: How Do I Gain Access To The Class?

A: All the sessions will be held on the Zoom platform. You will receive an email upon sign-up that will direct you to a Zoom registration and exclusive link.

Q: What If I Can't Make One Of The Sessions? Will I Receive A Video Recording That I Can Later Watch?

Unfortunately this is a one-time-only LIVE event. Please make sure that you block off those time slots so that you can benefit maximally from all three days!

Q: What If I Am A Complete Beginner?

A: This bootcamp is for everyone - because everyone can profit using the power of options. Of course, having some knowledge of options basics will help you understand the theories and strategies discussed a lot easier.

Q: What If I Do Not Currently Have A Trading Account?

A: You do not require an active trading account to attend this bootcamp. You can learn the strategies and techniques and practice using a paper money account while your live account is being setup in the meantime.

Q: Will I Be Able To Ask Questions During The Workshop?

A: We understand that it is very important to receive clarification and confirmation, thus we have scheduled a few slots over the three days that are specially for Q&A. You will be able to ask your questions then and have them answered on the spot.

Q: Is This 3-Day Bootcamp Really Free?

A: Yes, this event is completely free. You do not have to pay anything to gain access to watch the event live on Zoom.
